This isn't just a turkey,
As anyone can see.
I made it with my hand,
Which is a part of me.
It comes with lots of love
Especially to say,
I hope you have a very
Happy Thanksgiving Day!

Handprint Turkey

CUTE AND SIMPLE PARENT GIFT FOR THANKSGIVING!

How I do this craft in my classroom (only suggestions!)

Use a paintbrush and paint the colors on students' hand. I use brown for the palm and different colors for the fingers to make it look like feathers (ex. Yellow, orange, blue, red). Have them place their hand on the paper on the empty white side.

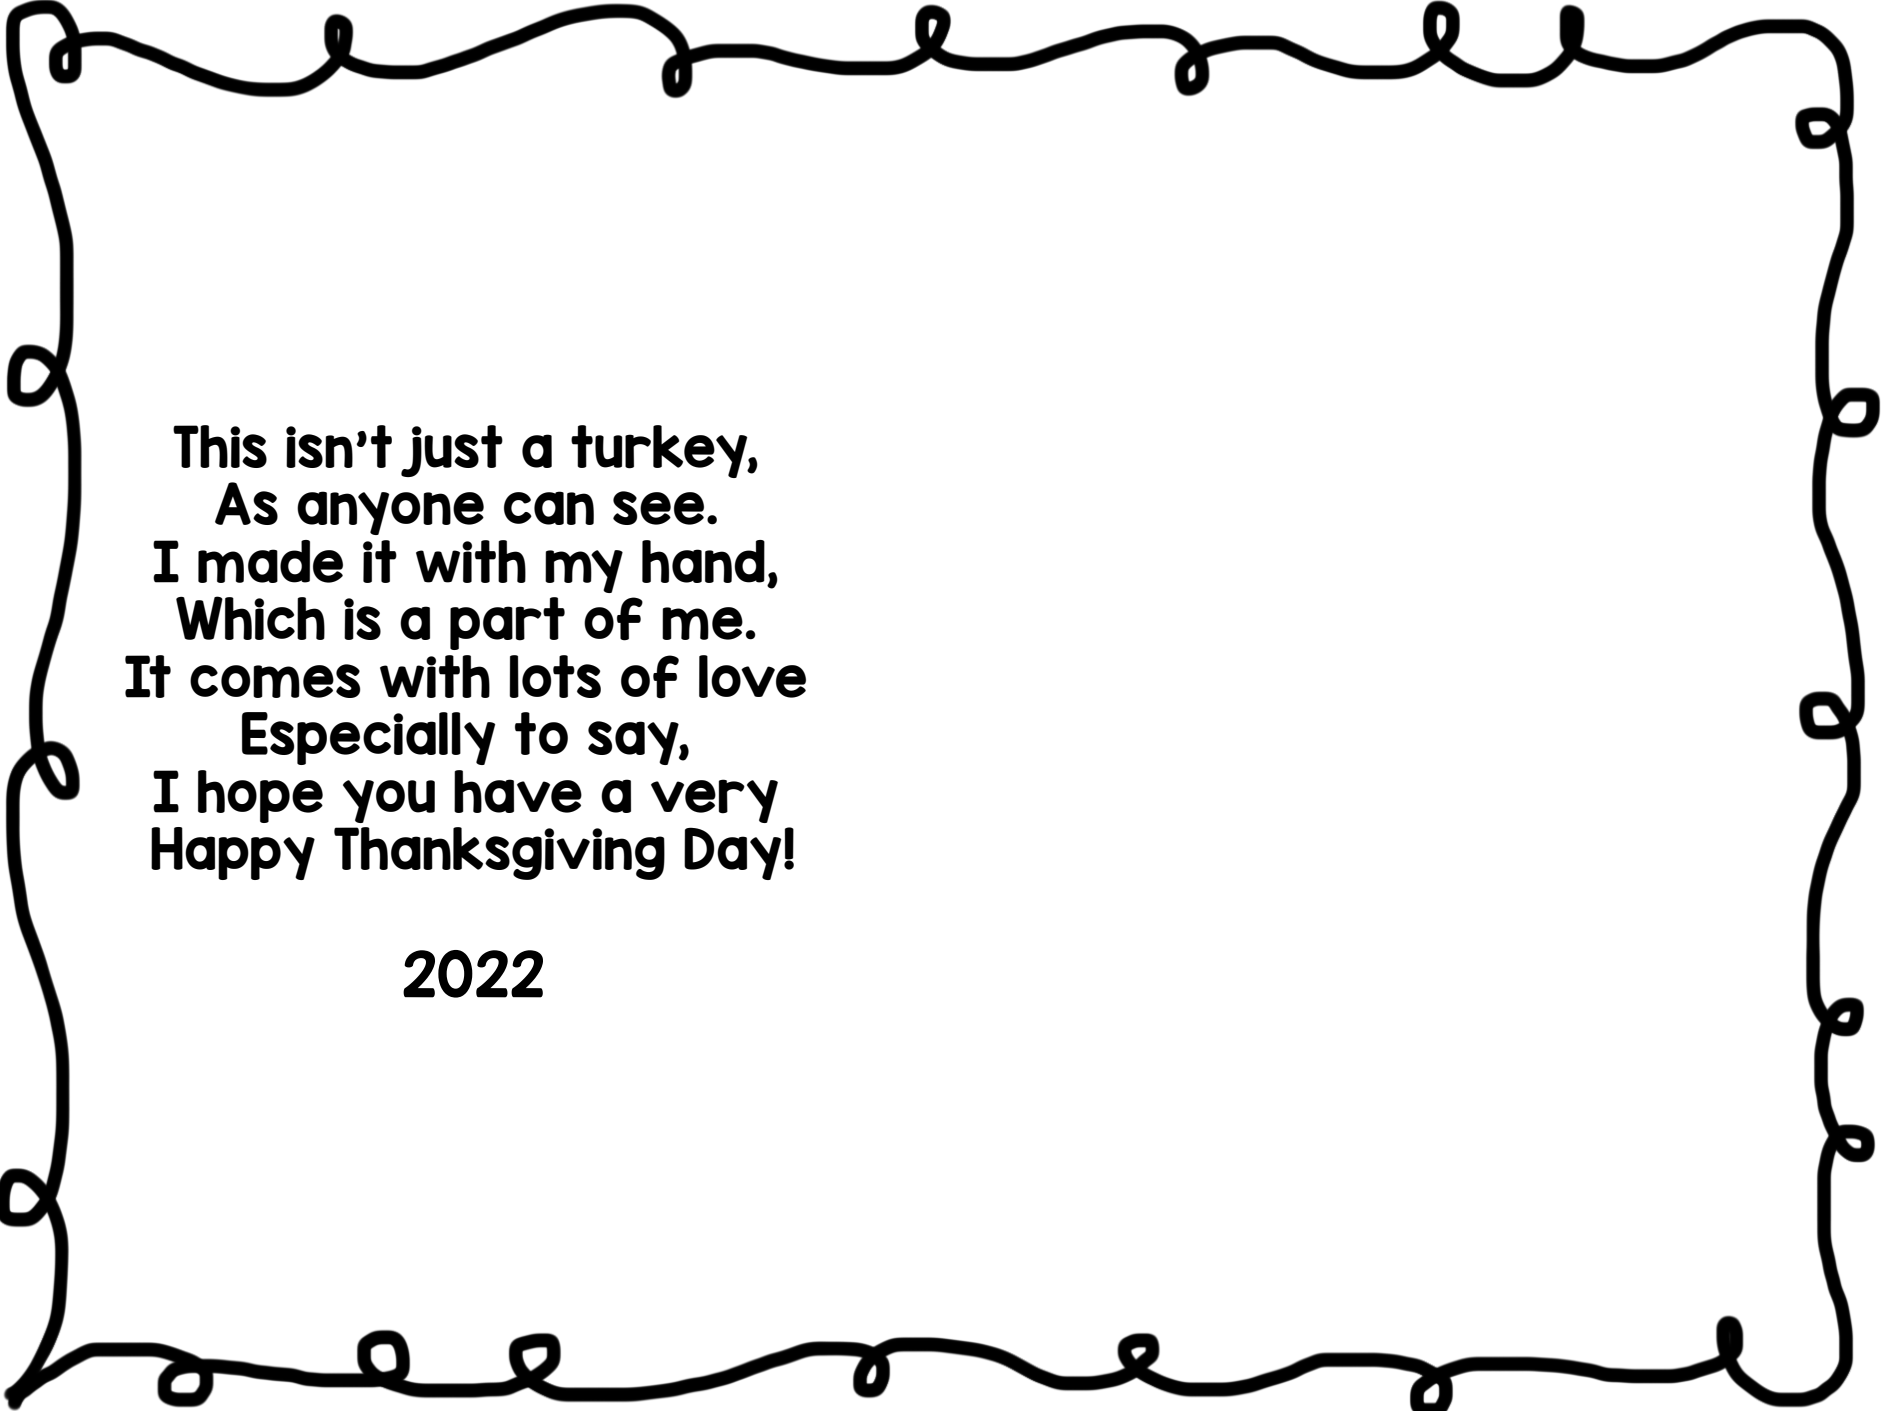

Once the paint has dried, create the waddle (two red thumb prints), beak, legs, and eye (with a marker).

I have students write their name on the paper. I usually print this on cardstock and laminate to create the keepsake. They make great parent gifts!

You can make it your own! I'd love to see your finished crafts.
